

ENRICH

The power of live symphonic music is more than just an amenity, its power truly enriches our lives, enhances our sense of community, and gives balance to our data-driven lifestyles. Music is an important part of the human experience, bringing generations together to a common place of inspiration. The WFSO's professional musicians provide over five concerts each year, performing both symphonic and pops concerts, and feature outstanding guest artists. The symphony collaborates with other arts organizations to bring music into the community in venues other than the performance hall, positively impacting our community and enriching lives with the love of music.

EDUCATE

The WFSO's educational outreach programs and activities are designed to give school-aged children and adults alike a greater understanding of the importance of music in our lives. By connecting music with visual arts, history, and literature, our educational programs enrich classroom lessons and introduce students to the excitement of live performance. Our pre-concert talks with the Maestro are an opportunity to see behind the music, providing a more meaningful concert experience.

ENTERTAIN

Wichita Falls became the 10th city in Texas to establish an orchestra in 1947. Since then, the WFSO has maintained a leading role in helping Wichita Falls become a major center of cultural activity in the region. To date, the WFSO has performed more than 350 symphonic concerts, over 150 educational programs, and has welcomed internationally known artists to Memorial Auditorium. Musical greats such as Benny Goodman, Van Cliburn, The Gatlin Brothers, Yo-Yo Ma and many others have performed with rave reviews alongside the WFSO.

Your Annual Fund gift helps ensure that WFSO performances continue to captivate music lovers for future generations.

WAYS TO GIVE

WFSO

1300 Lamar
Wichita Falls, TX 76301
tel: 940-723-6202
www.wfso.org

Monthly Giving:

Monthly giving is quick and convenient. Contact our office to set up a simple monthly bank draft or credit card payment.

Matching Gifts:

Double your impact with a corporate matching gift. The WFSO's 501c(3) nonprofit tax ID# is 75-6003129.

Honor a Loved One:

A gift in the name of a loved one is a wonderful way to honor or remember someone special.

Donate Stock:

A gift of appreciated securities is frequently the most economic way to give. Visit with your financial institution for options.

Plan Ahead:

Will bequests, charitable gift annuities, and insurance are three more ways you can invest in the treasure of music.
